BE FUTURE READY

Land Acknowledgment

Mohawk College derives its name from the Mohawk Nation, one of the Six Nations of the Haudenosaunee Confederacy. The Confederacy marks a union of peace and friendship, and Mohawk College honours that union by recognizing the Six Nations of the Grand River and the Mississaugas of the Credit First Nation.

We acknowledge that the territories on which Mohawk College and its campuses are situated are governed by the Between the Lakes Treaty, the Dish with One Spoon Wampum Agreement, and the Upper Canada Treaty Agreement. These agreements are binding to this day and represent our mutual commitment to maintain healthy, reciprocal and respectful relationships with the many Indigenous nations and peoples of this area. We acknowledge this and iterate our dedication to inclusivity, to friendship and to valuing the ongoing contributions of Indigenous peoples and communities.

“When I reflect on my experience at Mohawk College, my connection to my professors was really special. Having people who are also currently working in the field and had a range of experiences in social work helped open doors to see what I’m capable of. My biggest takeaway would be getting out into the field and outside of the classroom scenario through my co-op and placement experiences.

I feel that my time at Mohawk College has prepared me for what I am doing right now at the SPCA.”
