Learn more at [mohawkcollege.ca/Co-op](http://mohawkcollege.ca/Co-op).

## Benefits of co-op programs

In addition to earning an income, co-ops help you gain relevant work experience while you're a student, giving you an edge on the competition following graduation. Learn more at [mohawkcollege.ca/Co-op](http://mohawkcollege.ca/Co-op).

Mohawk College has 22 Co-operative Education programs that have been recognized and accredited by CEWIL Canada. This accreditation represents the highest standard of achievement for quality Co-operative Education programming.

# Meet our amazing alumni

Grads share their career journey and advice.

“The program was tough. It challenged me mentally and emotionally... I couldn’t have done it without the support I had. It’s hard but it’s not impossible. It’s easy to quit. But if you want to challenge your potential keep going and understand it’s only hard for now. It will get easier.”

*Lacey '06, Practical Nursing*

“Mohawk College actually shaped my future and gave me a purpose to my life. If I wasn’t at Mohawk, I wouldn’t have changed my career path or my focus in life.”

*Yash '17, Autism and Behavioural Science*

“Mohawk was a defining moment for me. Yes, the program was challenging, but it prepared me for my career and exposed me to the many aspects of computer engineering and automation that I love today.”

*Racheal '21, Computer Engineering Technology*

“As a student, I looked forward to working as a millwright. I really appreciated the good teachers and mentors that I had. I had a co-op placement at Stelco, which I really enjoyed. I worked in different departments and got to see how my education applied to real life work. This helped me to get a full-time position as a millwright with the company.”

*Dyar '16, Industrial Mechanic (Millwright)*

“[The program allowed me] to build a network of industry professionals. It was fast-paced and intense, so I got a feel for what the working world really was like. [The courses were] full of practical, hands-on approaches for how I could actually do my work in the real world.”

*Krista '08, Public Relations*

# Equity, Diversity and Inclusion

Creating safer, respectful, equitable and positive environments for all students

**Social Inc.** is a space that welcomes and supports students by embracing and implementing an intersectional, anti-oppression framework to promote human rights, equity and inclusion, and works to identify, prevent, and eliminate all forms of discrimination within the college community. Students can drop in to have group discussions, socialize, relax and complete homework. Social Inc. hosts events and activities to celebrate the diversities of all students and addresses the inequities and systemic barriers that impact underrepresented and underserved groups. Connect with us at [mohawkcollege.ca/Social-Inc](https://mohawkcollege.ca/Social-Inc).

The **Student Rights and Responsibilities Office** is here to help students understand and navigate school policies, address student behaviour concerns, address human rights complaints, obtain assistance with conflict resolution or access supports and services. Contact [srro@mohawkcollege.ca](mailto:srro@mohawkcollege.ca).

Our **Sexualized and Gender-Based Violence Education and Support** team supports the work of the college in preventing and addressing sexualized and gender-based violence and promoting the support services available to all college community members. Contact [SV-GBVSupport@mohawkcollege.ca](mailto:SV-GBVSupport@mohawkcollege.ca).

## Indigenous Student Services

Services and supports for Indigenous students include having an Elder as a resource, peer tutors, cultural workshops, student success activities, job postings and access to bursaries and scholarships. ## Athletics and Recreation: taking education to new heights

Mohawk offers nine competitive high-performance sports teams and a wide range of recreational activities for all levels. Athletics at Mohawk are built on three pillars: podium success, classroom success and community success. Varsity athletes are committed to competing at the highest level both in and out of the classroom.

The David Braley Athletic & Recreation Centre at Fennell Campus is Mohawk's athletics and recreation hub. Students have access to the fitness centre and the nearly 20,000 square feet triple gymnasium. Recreational opportunities include extramurals, intramurals and drop-in activities. The Stoney Creek Campus also provides a fitness centre.

## Land Acknowledgment

Mohawk College derives its name from the Mohawk Nation, one of the Six Nations of the Haudenosaunee Confederacy. The Confederacy marks a union of peace and friendship, and Mohawk College honours that union by recognizing the Six Nations of the Grand River and the Mississaugas of the Credit First Nation.

We acknowledge that the territories on which Mohawk College and its campuses are situated are governed by the Between the Lakes Treaty, the Dish with One Spoon Wampum Agreement, and the Upper Canada Treaty Agreement. These agreements are binding to this day and represent our mutual commitment to maintain healthy, reciprocal and respectful relationships with the many Indigenous nations and peoples of this area. We acknowledge this and iterate our dedication to inclusivity, to friendship and to valuing the ongoing contributions of Indigenous peoples and communities.
