# Student Governor 2025 Campaign Procedures

## CAMPAIGN PROCEDURES

All candidates will familiarize themselves with and abide by the election procedures. Failure to follow these procedures may result in disqualification from the election.

1. Candidates will be required to attend the All Candidates Meeting to review election procedures. The time, location and rules are noted in the "Important Information for Candidates" portion of this package. Failure to attend this meeting will result in disqualification, unless a valid reason is submitted in writing to the CRO within 2 working days.
2. Each candidate will be supplied with: 2 rolls of painter's tape, and 100 free copies of 11 x 17 paper. These supplies and necessary forms will be distributed at the All Candidates Meeting. Please note that no Graphic Design assistance will be provided and posters must be laid out according to the paper size required. All posters and other campaign material must be reviewed by the CRO to determine its appropriateness. Candidates must allow a 24-hour turn-around time for all printed material.
3. Other than the listed restrictions, a candidate may post up to 25 posters per campus. Campaigning methods are left up to the candidates but please note that stickers are not allowed. A candidate may use any number of different methods as long as the financial limit of \$300.00 is observed. Expenses must be pre-approved by the CRO to guarantee reimbursement. Original receipts must be submitted to the CRO within five business days after the final voting day. Please note that expenses for alcohol, tobacco products or meals will not be accepted for reimbursement as a campaign expense. Anyone who spends over the financial limit (including donated items) may be disqualified from the election. Any fines assessed to a candidate will be subtracted from their reimbursement.

Should a candidate receive a free/sponsored item for their campaign, the CRO will assign a dollar value to that item and it must fit into their overall budget for the position they are running for.

4. Candidates must campaign as individuals and will not be allowed to campaign with other candidates.
5. Candidates may not use the same campaign used by the College to promote the election as a whole. The CRO will determine whether or not a candidate's campaign is significantly similar to the overall elections marketing.
6. Each candidate will be allowed one half-day, free of charge, to set up a table in both the Student Centre and the College, to promote their campaign. This will be coordinated with the Chief Returning Officer. Booths availability and dates is yet to be finalized. However, it is required the candidates may not team up together at booths. Each candidate will also be allowed one half-day, free of charge, to set up a table at the Mississauga Campus. This will be coordinated with Shahzeen Ali, Student Support Services Manager at the Mississauga Campus.

10. The MSA offices as well as Heath Lounge and the Arnie are strictly out of bounds for campaigning material and or posting of promotional materials.
11. No other posters can be placed by candidates at the Mississauga Campus.
13. Use of the Mohawk College and MSA logos and trademarks will not be available on any promotional material. Candidates may wear clothing that already contains logos on it (i.e. shirts with MSA or Mohawk College on them), but may not put logos on any new clothing items they create for the purpose of campaigning. Candidates may wear their MSA or Mohawk College clothing in any campaign photos. Student media may choose to interview candidates and while doing so shall provide equal opportunity/coverage for candidates of certain positions.
14. Any candidates who use social networking sites (Facebook, Instagram, X (Twitter), etc.) must add "admin" to any groups in order to monitor your posts, and send links of their posts to the CRO via email.

22. Candidates and/or election help found defacing, damaging, moving and/or removing campaign materials belonging to another candidate may be subject to immediate disqualification.

24. MSA members may not campaign at any event or activity where they are acting in an official capacity by virtue of their position.
25. No candidate will be allowed to show students how to vote, bribe them to vote or coerce anyone into voting for them as it may conflict with a voter's right to privacy.
26. All deadlines are final. No extensions will be given.
27. In the event that a candidate wishes to file a complaint against another candidate, the following process will be used:
  - a. Complaints will be submitted in writing (and signed) to the Chief Returning Officer (CRO) using the Elections Complaint Form. The CRO will meet with both parties, as well as any other relevant parties, to determine the facts. The CRO will then determine what, if any penalty will be imposed.

- b. Penalties will be determined at the discretion of the CRO. The penalties may include:
    - i. Written Warnings;
    - ii. Fines (\$20); and/or
    - iii. Disqualification
  - c. The outcome will be communicated to both parties, within three (3) business days.
  - d. If a candidate wishes to appeal the decision, a letter of appeal will be submitted to the CRO within two (2) business days. The CRO will form an appeals committee, made up of the CRO, two student leaders not involved in the election process and one College employee. The committee will review the complaint and the outcome, as determined by the CRO, and determine whether or not to uphold the penalty. The results of the appeal will be communicated to both parties, in writing, within three (3) business days. The decision of the committee will be final.
28. The current Student Governor must stay neutral throughout the nomination and campaign period and may not endorse a candidate or participate on a candidate's campaign team. The only exception is, if a current Board member is running themselves, they may participate in their own campaign but may not use any systems (Student Representatives, websites, etc.) or promote themselves while performing any official Student Governor duties.
29. If a candidate fails to adhere to any of the policies and procedures with regards to the campaign and election process, they may be fined up to \$20.00 and may be subject to disqualification.
