

IKLO Program Implementation Checklist

1. IKLO Program planning

Review the 7 [Indigenous Knowledge Learning Outcomes](#)

Conduct an analysis to identify which course would be able to adopt an IKLO

Plan a consultation meeting with an [Indigenous Curriculum Specialist](#)

Discuss with faculty implementation of IKLOs

2. Meeting with Indigenous curriculum specialist

Identify program, scope, IKLOs, and possible implementation

Review the link between IKLO → CLO → Outcomes → Assignments

Review resources, course and faculty that will be utilized in implementation

Create a plan, identifying IKLOs, CLOs, Objectives and Assignments

Plan for course implementation

Review plan with an [Indigenous Curriculum Consultant](#) and prepare documents to be sent to CIRKL for approval

3. CIRKL Approval

Complete the CIRKL [IKLO Implementation Form](#)

Submit the completed CIRKL IKLO Implementation Form to cirkl@mohawkcollege.ca

Upon feedback and approval, implement IKLOs

Document the implementation of IKLOs in annual program review

Update your website noting the inclusion of IKLOs relating to your program

Annually review IKLO implementation with an [Indigenous Curriculum Consultant](#)
