

CONVOCATION SPRING 2024

INVOCATION

We are gathered here in celebration of our graduates and of Mohawk College.

May the graduates, their families and friends, our Mohawk Governors and our staff, collectively and individually, continue to seek the strength to put forward in our minds:

All great and good thoughts, intended to unite us.

All generous thoughts, intended to make us celebrate the achievement of others.

All charitable thoughts, intended to make us sensitive to the needs and feelings of others.

May we together invoke all caring, brave, and meaningful acts which are worthy of our true selves.

May we think in truth and in love.

May we act in honesty and in honour.

May we seek out the best in everyone.

And, in doing so, may we find fulfillment, peace, and joy.

THE CHARGE TO THE GRADUATES

Graduates, today you are admitted into the fellowship of graduates of Ontario Colleges, an honour bestowed only upon those who have met high standards of conduct and learning.

In the name of Mohawk College, therefore I hereby charge you:

- To safeguard the dignity and ethics of our fellowship;
- To cultivate the spirit of inquiry and innovation;
- To celebrate your role as a local and global citizen;
- To maintain, through study, the fresh viewpoint expected in an age of rapid advancement; and
- To contribute, in all these ways, to society, in order that the dignity of humankind, through you, may be constantly reaffirmed.

Dr. Michael D. Noseworthy, PhD, received a PhD from University of Guelph in 1996, focused on applications of MRI/NMR and electron paramagnetic resonance (EPR) methods to assess free radical-induced brain damage.

He was a postdoctoral fellow in Imaging Physics at Sunnybrook Health Sciences Centre and subsequently a staff scientist at The Hospital for Sick Children. He then moved to St. Joseph's Healthcare and McMaster University, where he now is a full professor in Electrical & Computer Engineering. Mohawk announces new Climate Action Plan

As part of a new Climate Action Plan that was announced in November, the college will reach net-zero emissions in direct campus operations by the year 2035; will embed sustainability across the curriculum of all programs; and will support research with community partners to develop more than 50 deployable solutions to the climate crisis by 2030. The college also announced plans to create a new school of programs, the School of Climate Action, and has received a donor gift to establish a new Research Chair, Skilled Trades for the Green Economy – the first position of its kind at a Canadian college.

Stacey Hill '88

Distinguished Fellow - Honorary Diploma Advanced Police Studies

Stacey Hill is a Mohawk College graduate and is the first Indigenous Liaison Officer for Hamilton Police Services. Her liaison role, which she assumed in late 2022, is meant to build stronger relationships between police and Indigenous communities. She has worked for HPS for more than 25 years serving as a patrol officer in the east end and now works closely with Hamilton's newly formed Indigenous Consultation Circle to assist Indigenous people in navigating contacts with police.

Stacey has led training at HPS for all officers and civilians to teach them about Indigenous people and their histories, including colonization, systemic racism, the Sixties Scoop and residential schools.

She is dedicated to community advocacy and helped to form the original Hamilton Aboriginal Advisory Board. She has served

as a liaison between HPS and First Nations members during the dispute over the construction of the Red Hill Valley Parkway, served on a committee dedicated to race relations and missing Aboriginal women, and was a mentor at the Niwasa Head Start Daycare. As a teen, she was Miss New Credit, an ambassador role for Mississaugas of the Credit First Nation.

This fall, Stacey will be honoured with a Mohawk College Alumni of Distinction award in the Community Services category for her work and commitment to her community.

Reta Ismail,
*Journalism and
Communications Media,
2006*

Reta Ismail, a 2006 graduate of the Journalism and Communications Media program, has enjoyed a career in radio and television. Today, she is a TV anchor on CTV News in London, Ontario.

Reta's media career began in high school, when she had a co-op placement at Mohawk College's radio station doing news updates and co-hosting a radio show.

Upon graduating from Mohawk, she worked as a radio news anchor/reporter in St. Catharines while volunteering as a videographer with Rogers Television to gain on-camera experience. Wanting to get into a larger market, Reta was successful in obtaining a position at CityNews in

Toronto where she spent eight years as a media library archivist and as an assignment editor, monitoring breaking news.

In January of 2015, Reta made the jump from behind the scene to on-camera when she was offered an opportunity with CTV London's news team as a weather anchor and videographer.

Born in Baghdad, Iraq, Reta fled the war-torn country in 1990, lived in Greece for three years, before coming to Canada in 1993. She is fluent in Assyrian and English.

Michael Schwenger, Distinguished Fellow

Michael S. Schwenger spent his career building an international manufacturing company.

After graduating from university, he joined StressCrete Ltd., a manufacturer of spun concrete utility poles. Soon he became general manager and purchased the company in 1981.

Originally employing eight people, Michael expanded the company through market growth, acquisitions and start-ups to create a group of companies covering most of North America. Today, StressCrete Group has nearly 500 employees in five locations across Canada and the US.

Focusing on residential street lighting, utility poles and sports lighting, StressCrete Group has become one of the major players in the North American industry.

Today, Michael remains Chairman Emeritus of the group of companies, while his son oversees operations of the company.

As his business expanded, so did Michael's philanthropic

involvement with the community. He has served as board chair of the Royal Botanical Gardens, Hamilton Health Sciences, the Art Gallery of Hamilton and the Carpenter Hospice. He also spent time on the boards of the Burlington Community Foundation, Burlington Hydro and Dr. Kemp Hospice.

In 2015, the Schwenger family established the Schwenger Family Foundation, with a mission to support children and the local community. Today the Schwenger Family Foundation supports many worthwhile endeavours including Mohawk College's City School program.

Michael graduated from the University of Western Ontario in 1974, obtaining an Honours B.A. in Business Administration.

THE COLLEGE

Mohawk College has grown to be one of Canada's leading colleges. Mohawk's history began in 1947 with the establishment of the Provincial Institute of Textiles which was transformed into the Hamilton Institute of Technology (HIT) in 1957. Ten years later, in 1967, the HIT was incorporated as the newly established Mohawk College, one of 24 Ontario colleges.

Today, Mohawk College proudly delivers a quality education and college experience to over 34,000 full-time, part-time, continuing education and apprenticeship students. Mohawk is the region's prime job creating engine, having transformed more than 165,000 graduates into highly skilled and future ready graduates who are driving tomorrow's opportunities.

THE LIRIPIPE

The liripipe is a European medieval symbol of academic achievement dating back to the 8th century. It marks the achievement of excellence according to each student's chosen program and symbolizes their membership into the international community of scholars.

O CANADA

O Canada!
Our home and native land!
True patriot love in all of us command.

With glowing hearts we see thee rise,
The True North strong and free!

From far and wide,
O Canada, we stand on guard for thee.

God keep our land glorious and free!
O Canada, we stand on guard for thee.

O Canada, we stand on guard for thee.

Ô Canada! Terre de nos aïeux,
Ton front est ceint de fleurons glorieux!

Car ton bras sait porter l'épée,
Il sait porter la croix!

Ton histoire est une épopée
Des plus brillants exploits.

Et ta valeur, de foi trempée,
Protégera nos foyers et nos droits.

Protégera nos foyers et nos droits.
